

DEDICATION High-Performance Engineering

PASSION

Customer Motorsport **AMBITION** World Endurance Championship

Toyota Motorsport GmbH is a works motorsport team and a supplier of high-performance engineering services to the automotive industry and beyond, located in the friendly and international city of Cologne, Germany. TMG's modern, dynamic working environment provides training and career development opportunities as well as free on-site gym and subsidised restaurant.

Master/Diploma Student (m/f) Quality Management System

As a master/diploma student you will support the upgrade of the Quality Management System to meet the requirements of new ISO 9001:2015 revision. You will study the requirements of ISO 9001:2015 standard and determine which specific requirements are applicable for single departments. Furthermore, you will set up a requirements matrix to document our implementation needs. In the next step you will support the implementation in close collaboration with the department managers (applicable departments might be: Production, Workshop, Engineering and Purchase). Creating the required quality documentation and assisting the quality management representative in further activities related to the upgrade and implementation process will also be part of your job.

The successful candidate will:

- be a student in the field of business administration, industrial engineering, mechanical engineering or similar;
- display good knowledge within the area of corporate structure and process management;
- show firsthand experience in quality management systems, preferred with ISO 9001 systems;
- have firsthand experience in the field of advanced engineering in a technical environment;
- have sound English language skills;
- be a team player who demonstrates a responsible, structural, analytical and creative working style, work to high standards and have distinctive interpersonal skills.

If you believe you possess the appropriate qualifications and experience for this position, please send an English CV along with a covering letter to:
