### **PhD in Management (Finance Track)**

IESE Business School (Barcelona Campus), ranked the best business school worldwide for Executive Education by The Financial Times, designed a PhD/Doctorate program based on the traditional U.S. model. This model foresees fundamental coursework in the first stage (2 years; awarded with a Master Degree) before enrolment into the PhD phase (2/3 years).

### **What do we offer?**

- **Full financial support** during the entire program (five years): A stipend to cover your living expenses of **16.695€/yearly and a tuition fee waiver**. Students receive both the tuition fee waiver and the stipend already during the Master period.
- The opportunity to research relevant topics with theoretical depth.
- A truly global environment and a direct contact to business that guarantees a forum for your research.
- We specifically seek students who want to specialize in the area of Finance or Financial Management.
- Independence, flexibility, and self-direction.

### **What do we look for?**

We are looking for the brightest minds. Do you have a Bachelor Degree? Are you passionate about research? Are you looking for depth? Do you want to gain and produce cutting – edge knowledge? The PhD in Management Program of IESE Business School (Barcelona) might be the missing piece in your career!
